Pinkham's Vegetable Compound is made today in immense quantities from those same roots and herbs with extreme accuracy, care and cleanliness.

Miss Elizabeth Barbour Gets Degree From Famous Institution

Miss Elizabeth Barbour, daughter of Dr. and Mrs. John Barbour, graduated in piano and theory of music Friday, June 18th, at the Bush Temple Conservatory, Chicago, receiving the Degree of Bachelor of Music. The usual diploma is given for a certain proficiency on the piano, but the Degree is a collegiate honor in view of studies additional in the science and theory of music.

Miss Barbour played as her graduating exordiae Grieg's Concerto for piano, with the orchestra. This was one of the most difficult, technically and musically, selections on the program, and Miss Barbour showed her thorough musical training in her very excellent rendition of the piece.

She had the last number on the program, the place of honor, and her part certainly was a brilliant success.

Dr. and Mrs. Barbour attended the Commencement, at which their daughter appeared as one of the best performers.

Gave the Old Folks the Slip—Eloped in Automobile by Light of the Moon

Mr. Bright Cockrell and Miss Mildred Moore, accompanied by Mr. and Mrs. John Turley and four gentleman friends, arrived here in an automobile yesterday morning about 6 o'clock, and without tarrying for breakfast at the hotel crossed the river on the very first trip of the ferryboat.

They had scarcely reached the Ohio shore when the following message, flashed over the wire, was received by Chief Harry A. Orr—

MT. STERLING, KY., June 22d, 1909.

Chief of Police—Mt. Sterling, Ky.: Stop Bright Cockrell and Mildred Moore marriage. En route in automobile. R. F. MOORE.

Free from parental pursuit the elusive elopers proceeded on their way to West Union, where they were refused marriage license. From there they went to Georgetown and were more successful in securing the coveted papers and at which place they were married.

The bridal party reached this city on their return trip from Georgetown about 4 o'clock, and after a short rest started on their homeward journey.

The bride says she is sixteen years old, and is the daughter of R. F. Moore, a coal merchant of Mt. Sterling. The groom is youthful in appearance and gave his occupation as that of a farmer.

Mr. and Mrs. John Turley were of the newly wed class, too, having two months ago eloped and married at Ironton, O.

Elderly People Helped Free

The last years of life are the sweetest, and yet the most difficult to prolong. It is then that the greatest care is exercised in maintaining bodily health. But the chief care should always be with regard to the food you eat and whether you are digesting it properly. You should not allow your self to become constipated.

No doubt you have tried salts and cathartic pills, purgative waters, etc., and have come to the conclusion that they are violent in action and do but temporary good. Listen, then, to the voice of experience with regard to a wonderful and mild laxative, Dr. Caldwell's Syrup Peppermint. It is not new, only we are trying to find a new friend for it.

A. A. Felt of Johnston City, Ill., suffered from stomach trouble for six years and found his cure in Dr. Caldwell's Syrup Peppermint. His wife uses it too with success. We could name hundreds of others. Some heard of it first through the doctor's offer to lend an earful from a woman's liver or bowel complaint to a free sample bottle for trial, without charge.

If you will send your name and address he will send you a trial bottle direct to your home. If it proves itself as he claims then continue the treatment by buying a 50 cent bottle of your favorite flavor, all of them sell it. Old people like children, should look for purity, and it is well to mention that the purity of this remedy is vouched for with the U. S. government. Also, though a free bottle is sent to prove its merits, results are always guaranteed from the regular bottles bought of druggists, who will refund your money if it does not satisfy you. Send at least for the free test bottle today.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell Building, Monticello, Ill.

NEW TRACTION LINE

Plans To Reach Maysville and Connect With Cincinnati, Lexington and Other Cities

Tuesday's Enquirer.

The plans of the Cincinnati, Louisville, Lexington and Mayville Traction Company to establish a system of trolley lines which will unite many Kentucky towns and cities with Cincinnati, seem nearer consummation now than at any time since the project was launched by its promoters, a company of Kentucky, Indiana and Ohio capitalists.

Yesterday W. T. S. Blackburn of Grant county, Kentucky, President of the Company, which was recently incorporated with a capital of \$1,000,000, addressed an enthusiastic audience of farmers at Independence, the county seat of Kenton county, Kentucky, upon the plans in progress, and in less than an hour subscriptions, amounting to \$2,700, were secured from private individuals of that place.

Mr. Blackburn, in his address at Independence yesterday, stated that it was intended to run the line from Louisville to Maysville, Ky., connecting with Cincinnati. The road will go by way of Lexington. From that point one branch will go East to Maysville and another North to Georgetown and Paris, to Dry Ridge, in Grant county, Kentucky, thence to Walton, Boone county, Kentucky.

Good Clothes

**At the Price
of Poor Clothes.**

In this store's advertising we have always argued for GOOD CLOTHES—and urged the business importance of dressing WELL. Those who accuse us of pure selfishness in trying to educate people to the GOOD Clothes Idea will admit that it would be a poor policy for us unless we sold GOOD CLOTHES. And that's what we do. Sometimes the prices would seem to indicate poor clothes—but the clothes have been GOOD, just the same.

The Suits at \$15 are priced like ordinary clothes—but they are GOOD CLOTHES and are for good dressers.

Add This Fact to Your Store of Knowledge.

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Maysville citizen.

Mrs. Elmer Bridges, 206 West Tbird street, Maysville, Ky., says:

"I consider Doan's Kidney Pills an excellent kidney remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I used remedy after remedy, but obtained no benefit until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drug-store. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand in case I have a return of the trouble."

While other forms of Artificial Lighting have been content to twitter with bird-like repetition "cheap, cheap, cheap," Electric Light has been loudly singing the praises of its sun-like glow and whiteness. Stamped on the public mind as the "Light of Quality," with the advent of the Tungsten Lamp it now challenges comparison of efficiency and cost.
